Serial Nos. 7 to 11

Part B for September 1941.

SUBJECT.

Note of the Chief Engineer that for appts of Surveyors in PWD, the minimum qualification shall be a degree in Engineering

---

It is observed that the Resolution of the Govt passed at this meeting held on 25.7.39 to the effect that the Board are not in favour of the above proposal as they do not consider it necessary to raise the minimum qualifications for these appts from a pass Civil Engineer Course of the School of Engineering etc.

Recorded

General and Revenue Secretariat

File No. of 193 . [App. F. III—2

U.O. No C. 40 9 21-2-1938 from the Chief Engr

Serial No.

Sealed

1 In accordance with ~~the~~ opinion at flag P. the sanction of Govt should be previously obtained in order to appoint Brahmin Candidates temporarily in the vacancies which are now proposed to be advertised. It is therefore for orders if the Chief Engineer may, in the circumstances stated, be permitted to make purely temporary ad-interim arrangements until the advertisements is published & applications are received in response provided that ~~they~~ the Brahmin Candidates appointed will be displaced by non-brahmin Candidates who may apply for the posts

MD 22/2/38 2 I do not think Rules permit the appointment of Brahmin Candidates even as a temporary ad-interim arrangement before the vacancy is advertised a second time calling for B.C. Candidates.

3. Is it so Please?

MD 7/3/38

NOTE—Contn. Sheet.

WD 0417—GPB—30,000—8-9-36

Serial No.

4 Under Rule 23 of the Rules of Manual of Recruitment, the vacancy cannot be filled up, but must be advertised a second time after the lapse of three months. If no applicants belonging to Backward Communities apply in response even to the second advertisement, the circumstances should be reported to Govt. and their approval obtained if it is proposed to appoint a Brahmin candidate in the vacancy.

5 The rule however permits a duly qualified candidate of a Backward Community being appointed in a Special vacancy advertised for the first ~~of~~ time, if ~~locally~~ available, ~~today~~ qualified candidates have not responded to the advertisement. In this case no readvertisement is necessary.

6 According to the Rules, therefore, the Chief Engineer's request is not feasible. But in the special circumstances, he desires that as candidates are urgently required the appointments of Brahmins will be regarded as purely temporary ad-interim arrangements & if in response to readvertisement qualified B.C. candidates are forthcoming, they will displace the Brahmin candidates appointed.

In order

27/2/38

Serial No.

7 Subd. According to the Rules in force, the qualifications prescribed even for appointments of Surveyors in PWD is only a pass in the Civil Engineering course. By a Resolution of the Board passed at its 46th Meeting held on 25.7.34, it was definitely stated that it is unnecessary to raise the qualifications for these posts from a pass in C.E. Course to a degree in Engineering; yet, for some time past, vacancies of Surveyors have been advertised with B.E. qualifications, and, for want of B.C. qualified candidates, Special vacancies have been permitted to be filled up temporarily by Brahman candidates. It seems necessary to enquire now,

NOTE—Contn. Sheet.

WD 0284—GPB—30,000—13-8-37

at least, under what provision the B.E. qualifications were being prescribed all along for these posts.

8 Further, the connected file is not in the C R B The P W Secrt may therefore be requested to put up this file for reference in the CRB.

9/12/1813 9 The P W Secrt is requested to put up the connected file in this connection

10 A.D.O letter is 11/12/1813 received from the P.W. Secrt. the appointments referred have to be made urgently.

11 Permission may be given to appoint Brahmin Surveyors temporarily without re-advertisement as required by Rules with the observation that the vacancies

CRB File No. S-5— of 1937.

General and Revenue Secretariat

To the chief Engineer PWD
7153 CRB d 9.4.38

calls for reference the original file containing the C R B Resolution that it is considered unnecessary to raise the qualifications for Surveyors from a pass in C. E course to B. E. in (civil) and enquires whether the qualifications for these posts were since raised

Letter No 10787 dated 14-5-38 from the chief Engineer, PWD, furnishing the information called for and forwarding his office file re. the appointments of Surveyors.

15) Subd. The point requiring orders in this case is, whether for appointments of Surveyors in the PWD, the higher qualification of a pass in B. E. (civil) should be prescribed or only a pass in civil Engineering course of the School of Engineering.

Serial No.

16) According to the Resolution of the CRBD passed at its meeting held on 25th July 34, the qualification prescribed for posts of Surveyors carrying salaries Rs 50 to Rs 60/- in the PWD is only a pass in the Civil Engineering course. Further, the CRBD were definitely opposed to the raising of the qualification for these posts to a degree in Engineering. But, from the notes and orders in the PWD office file below it will be seen that only graduates in Engineering have been entertained as Surveyors with govt sanction, and that as Backward class graduates in Engineering were not available, the usual proportion of three appointments being reserved to Backward class candidates to one open to all classes has not been maintained in making these

NOTE—Contn. Sheet.

Serial No.

appointments.

17) The Chief Engineer, PWD, who was consulted, as to why only graduates in Engineering were entertained as Surveyors observes

1) that the passed candidates from the Engineering School are, by equipment and training, not competent to perform the duties of Surveyors and

2) that this has been done in accordance with practice obtaining since 1927.

18) As regards (1) above, it will be noticed from the CRB file that this aspect of the case was considered before the Board recorded their Resolution that it is unnecessary to raise the qualification for Surveyors from a pass in Engineering course to a degree in Engineering.

19) In regard to the other point, it is observed that

Serial No.

C according to the Resolution of the CR Bd referred to, the qualification required is only a pass in Engineering course. Beyond this, there is no standing order laying down definitely the qualifications required for these posts - for practice does not harden into Rule. In these circs, the qualification to be prescribed for these appts in future have to be definitely determined - whether it is a degree in Engineering or a pass in Engineering course -

2a) From the CR Bd point of view, the lighter qualification of a degree in Engineering seems not acceptable for these reasons:

1. That it is against the Resolution of the CR Bd passed at its meeting held on 25.7.34

C and

2. That it is detrimental

NOTE—Contn. Sheet.

Serial No.

to the recruitment of non-Brahmans in the PWD in view of the scarcity of N.B. Engineering graduates. In this connection it is submitted that during the period of 7 years, that is, from 30.6.30 to 30.6.37 there has been on the whole a decline in the percentage of non-Brahmins in the Executive Estt of this Dept as may be evidenced from the table below and the higher qualification of a degree in Engineering for posts of Surveyors resulting in a series of Brahmin appointments for want of qualified B.C. graduates seems to be a contributory cause.

Unit office.	Percentage of Non-Brahmins in the Executive Estt of the PWD	
	A on 30.6.30.	B on 30.6.37
1. Chief Engineer	41 (y)	36 (W)
2. Superintending Engineer, Mysore circle	33 (y)	20 (W)
3. " " Shimoga circle (Except in this unit)	17 (y)	23 (W)

But from 1/7/37 to 1/7/38 we have made 58 NB & 68 Brahmin appointments

Mays I & R

-84/S dated 15th NOV. 1927 (vide copy enclosed to the P.W.D), it is seen that the posts of surveyors on Rs 80/- in lieu of subovereers on Rs 35-5/2-80 were sanctioned as there was a dearth of qualified Subovereers at that time. Now under the altered conditions and in view of the resolution passed at the C.R.B. meeting in 1934 after much correspondence it is high time, Periods, the question of fixing up the qualification as resolved by the C.R.B. should be decided, as there is now a dearth of B.C. graduates.

22) The Chief Engineer has now sent up a P. Statement for advertizement calling for applications for the posts of surveyor from B.C. graduates. The posts to be filled up are 28 in number. The proportion of N.B's in the P.W.D. is decreasing. The question of lowering the qualification in respect of these appointments on Rs. 50/-to 60/- which are large in number is also for orders. (vide linked file).

6. Four points are raised by the PWD as hereunder:

1. That the qualification of a degree in Engineering for posts

Note-Contn. Sheet.

Serial No.

of Surveyors was prescribed with the approval of the chairman CRB, so far as 1929 - and this has not been disputed till recently - and that it may remain unchanged. There are in the PWD posts of Surveyors on two grades: one on Rs 80/- and the other on Rs 50/- to Rs 60/- It is in respect of appointments on Rs 80/- only that this qualification can be held to apply. As regards the posts on Rs 50/- to Rs 60/-, the qualification is a pass in the civil Engineering course only (vide CRB Secy's note d 19.4.34 and Resolution of CRB of 25.7.34) M

2 and c.

2. That if Backward class Subovrseers are made Surveyors, then the released vacancies of Subovrseers will have to be filled up, for want of B.C. candidates, by the appointment of only Brahmin

Serial No:

Subordinates and that this arrangement will not help to improve the representation of Backward communities but on the other hand affect the efficiency of the Dept. It is true that there are no Backward class Engineering graduates or passed out candidates from the School associated of employment but there will be at least some for recruitment of Backward community candidates to the ranks of Surveyors. Further, the assumption that only Brahmin Subordinates should be recruited in the released vacancies of Subordinates is not correct. It is open to the C. Engineer to appoint even Brahmin Engineering graduates to these posts if they are forthcoming, thus leavening the subordinate

NOTE—Contn. Sheet

Serial No.

ranks with a fair proportion of Engineering graduates. In this connection, it is submitted that it will be noticed from the files below that no distinction was originally made between the duties entrusted to a Surveyor or a Subovereer Both are of the same class of appointments but when an Engineering graduate is appointed, the post is designated as Surveyor. It would also appear that this distinction in regard to the quality of work turned out by the two classes of officials and the ~~competence~~ incompetence of the Engineering School students to occupy the posts of Surveyors was raised only in 1934 ~~was~~ when it was pointed out that the qualification for these posts is Subovereer's Test and not earlier.

~~On conclusion, to the~~

Serial No.

3) That the question which arose in 1934 was one of preferring for 'special' vacancies Brahmin Engineering graduates to the passed pupils of the Engineering School belonging to Backward communities while the question now under consideration is the appointment of Brahmin Engineering graduates for want of B.C. graduates. As the qualification for these posts is only a pass in civil Engineering course (vide Resolution of the C R Bd, the position seems to remain even now unaltered.

4. That where qualified B.C candidates are not forthcoming even for the 2nd advertisement, sanction may be accorded to continue the qualified Brahmin candidates without the obligation of their being displaced by Backward community candidates as they become available.

NOTE-Contn. Sheet.

Qualification for Surveyors Posts in the PWD.

File No. of 19 . | General and Revenue Secretariat

Serial No.

The Rule 23 referred to, says which governs such cases, runs as follows:

'If no applicants belonging to Backward communities apply even in response to the 2nd advertisement, the circumstances should be reported to govt and their approval obtained if it is proposed to appoint a Brahmin candidate in the vacancy'.

Sir — 1) In regard to item 4, recommendation (Linked file) K
2/11 has been submitted to the Chairman that in respect of posts of sub overseers, Br. qualified candidates may be appointed in special vacancies for want of N.B. qualified candidates not on temporary basis but on a permanent basis in permanent vacancies without waiting for the availability of N.B. qualified candidates. Similar orders are now sought for in the case of posts of Surveyors. As it is observed that qualified candidates are not forthcoming, irrespective of the settlement of the question re: the prescribing the qualifications for these posts, the orders sought for may be passed

Qualifications for Surveyors in the P. W. D.

General and Revenue Secretariat. | File No. | of 19 | [App. F. III-2

Serial No.

joined with the condition that if in future years sufficient number of N.B. candidates are available, they may be appointed in sufficient numbers to vacancies as by way of compensation.

8) The C.E. also suggests that 50% of the posts of Surveyors may be set apart for recruiting Engineering graduates, the remaining 50% being filled up by recruiting passed candidates from the School of Engineering. This seems to be by way of compromise as between the two extremes and is for consideration.

Return: Para 5.

GENERAL SECRETARY 4 NOV. 1939

OFFICE OF SECOND MEMBER OF COUNCIL 6 NOV. 1939 No. 3792

NOTE-Contn. Sheet.

Returned by an endorsement 6/11

The meeting is fixed for the 9th at 2 P.M.

File No. of 19 .

General and Revenue Secretariat.

Serial No.

Extract of orders in PWD file no 351 of 13.11.39 - re. appt of Mr. P. Sadasiva Rao as Surveyor.

It was held that future vacancies among surveyors to the extent to which M.B. candidates possessing School of Engineering qualification have been denied appointment to such posts of Surveyors, in view of prescribing higher qualification, should be made available for such candidates already appointed as Sub-overseers. On this basis, the existing vacancy may be given to the senior-most among M.B. sub-overseers, if the vacancy has to be filled up urgently.

MYSORE PUBLIC WORKS DEPARTMENT,
CENTRAL OFFICE,

Dated Bangalore, 14-5 *193* 8

FROM

The Chief Engineer of Mysore,
BANGALORE.

No. 1333

The Secretary,

Central Recruitment Board,

B a n g a l o r e.

1333

Sir,

With reference to General Secretary's letter No. 7153/C.R.B. 55-37-1 dated the 9th April 1938, I have the honor to forward here--with this office file, leading to D. No. 365 dated the 11th October 1934, regarding the appointments of Surveyors in the Public Works Department, in connection with the Village Panchayet Scheme.

2. Since the issue of Government Order No. 1181-84/S dated the 15th November 1927 (a copy of which is herewith enclosed), only graduates in Engineering are being entertained as Surveyors, prefer--ence being given to all available candidates of the Backward - Communities. The passed candidates from the Engineering School who have undergone a short course in Elementary Engineering are not fit to be taken, without long training, as Surveyors from whom a higher standard of work is expected, in respect of Survey, Irrigation and execution of works, as already pointed out by my predecessors.

3. The practice obtaining in the Department since November 192[illegible] in the matter of recruiting Engineering graduates as Surveyors, was followed in the case of recent appointments of Surveyors also, and the standard of qualification for the Surveyor's post has not sinc[illegible] been raised.

Th[illegible]

4. This has reference to your No. 7375/C.R.B. dated the 25th April 1938.

I have the honor to be
Sir,
Your most obedient servant,

D.S. Venkanna 13.5.38
For Chief Engineer of Mysore.

The C. Engineer
PWD

Sir,

with reference to correspondence ending with your letter no 2090 d 12.8.39 forwarding a statement of officials appointed since 1927 as Surveyors, I am directed ~~to request~~ You to request to be informed why no appointments

of Surveyors were made
from among qualified
subordinates of the Backward
classes. I am also to
request you to kindly
forward a list of qualified
sub-overseers of the Backward
classes in the department,
with details re. date of entry
age, and qualification.

The favour of a
reply in the matter before the
30th Aug 39 is requested.

I have

Secy.

In reply please quote
No. 1285 C.R.B.

THE CENTRAL RECRUITMENT BOARD,
PUBLIC OFFICES,
Bangalore, Dated 24th August 1939.

IMMEDIATE.

From

The Secretary, Central Recruitment Board,
Bangalore.

To

The Chief Engineer of Mysore,

Bangalore.

Sir,

With reference to correspondence ending with your letter No.2090 dated 12th August 1939 forwarding a statement of officials appointed since 1927 as surveyors, I am directed to request to be informed why no appointments of surveyors were made from among qualified sub overseers of the Backward classes. I am also to request you to kindly forward a list of qualified sub overseers of the Backward classes in the Department, with details regarding date of entry, age, and qualification.

The favour of a reply in the matter before the 30th August 1939 is requested.

I have the honour to be,

Sir,

Your most obedient servant,

SECRETARY.

MYSORE PUBLIC WORKS DEPARTMENT,
CENTRAL OFFICE,

Dated Bangalore, 30-8-1939

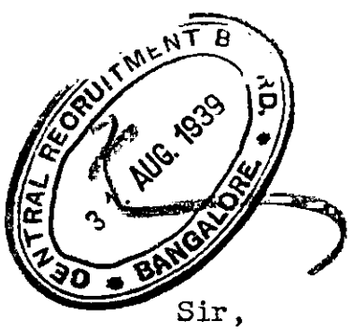
FROM

The Chief Engineer of Mysore,
BANGALORE.

C/W 95-38-4

To

The Secretary,
Central Recruitment Board,
Bangalore.



Sir,

With reference to your letter No. 1285 dated the 24th August 1939, enquiring why no appointments of Surveyors were made from among qualified Suboverseers of Backward classes, since 1927, I have the honour to invite kind reference to para 2 of this office letter No. 10787 dated the 14th May 1938, intimating that the passed candidates from the Engineering School who have undergone short course in elementary Engineering from the Engineering School are not fit to be taken, without long training, as Surveyors from whom a higher standard of work is expected in respect of Survey, Design and execution of works as already pointed out by my predecessors.

2. The statement furnishing the required particulars is herewith enclosed.

Not received
Reminder 2.9.39

3. In this connection, I may also add that all the qualified Backward community candidates from the Engineering School, (including the 1939 Batch) have been appointed as Suboverseers in the Public Works Department.

I have the honour to be
Sir,
Your most obedient servant,

D. Venkatappa 29.8.39
Chief Engineer of Mysore.

A.K.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat

Bangalore, Dated, 21-9-39

No. 1947/CRB 95-38-5

From

The General Secretary to the Government of His Highness the Maharaja of Mysore.

To

The Chief Engineer of Mysore,

Public Works Department, Bangalore.

Sir,

With reference to correspondence ending with your letter No.2729 dated 30th August 1939, forwarding statements of officials entertained as Surveyors since November 1927 and of qualified suboverseers of the Backward Classes working in the Department, I am directed to forward herewith a copy of the Resolution of the Board on the subject passed at their meeting held on 2nd September 1939 and to state that Government agree with the Board.

Resolution.- . The Board re-affirm their resolution passed at their previous meeting held on 12th April 1939 with the observation that the recruitment of backward communities to this service has seriously suffered on account of the Department prescribing a higher qualification without reference to the Board and in spite of their resolution passed in 1934.

I have the honour to be,
Sir,
Your most obedient servant,

K. Thimma Reddy.

For General Secretary to Government.

K.".R.3.
